Mission NAC is a construction volunteer opportunity. You are NOT required to have any construction experience or skill, and in general – the majority of our volunteers are NOT skilled construction workers. We do ask that you have a willingness to learn new skills and come prepared to work hard. ALL of our volunteers are supervised by skilled individuals who make every effort to guarantee their safety at all times. If there are any limitations to what you can commit to doing, please indicate them in the appropriate boxes below.

- I am NOT able to work on the roof of a house
- Other restrictions, please specify: \_\_\_\_\_
- I have a food allergy, please indicate: \_\_\_\_\_
